

DONATION REPORT

Reinvention Wheels, Inc. (RWI) provides in-kind donation of new mountain bicycles to non-profit organizations as a cost-effective transportation solution to advance the effectiveness of services provided to low-income people. In determining donations, RWI selects organizations 1) that provide health, education and employment services, 2) through staff, volunteers and to clients who have no means of transportation (other than foot travel), and 3) whose service impact is enhanced through improved mobility. The following are details of RWI's issued donations.
